GRADES

We grade Privet according to the number of stems the plant carries. All "light" grades carry 2 and 3 stems; "heavy" grades carry 3 and more stems. Transplanting grade includes single stems of all heights and lightly branched plants under 12 inches. Note the special grade of 6 to 12 inch "heavy" offered this season—a well branched stocky little plant. All our privet is beautifully rooted.

PEACH---Special!

What few peach we have left that are 7–16 and larger, will go into box lots for cold storage within the next ten days. This will leave us with the following 2 to 3 ft. and 3 to 4 ft. trees, strictly first class of their grades, clean and sound, and if this reaches the hands of any nurseryman needing these grades of peach in quantity, he is the party we want to hear from. Will make a special "clean-up" price on this lot to move them in one shipment, or will accept orders for any quantity as long as they last, at the prices shown. This stock is in our frost-proof cellars at Chase. Address your orders for same to
